### Sausalito Adventures

- **Scenic Sausalito Journey | 2.5 Hours | \$125 per person**  
Explore the historic Sausalito waterfront in our stable double sit-on-top kayaks. Your guides will share some of the rich local history and stories as we paddle past historic ships and check out the floating homes community (over 400). Views include Mt. Tamalpais, the surrounding hills of Sausalito and Tiburon and the San Francisco skyline. Expect to see curious Harbor seals and other wildlife. This tour is ideal for corporate groups of 6 to 40 (larger groups can be accommodated—just call us!).

After your paddle, savor a meal at one of Sausalito's charming waterfront restaurants. Our Sausalito location at the Bay Model is only 12-15 minutes north of the Golden Gate Bridge, offering Mediterranean charm and picturesque views.

## Alameda Adventures

Everywhere we paddle there are extensive views of the vast south bay and across the way the San Francisco skyline.

Discover our new location on the Alameda waterfront! Nestled near vibrant breweries and wine tasting showrooms, it's the perfect spot for a morning or afternoon team outing. Paddle in calm waters, enjoy the local wildlife, and wrap up your adventure with a cold brew nearby.
